Garage Sale

Pleasant Hill Lakes will have a community garage sale on Saturday, April 8th from 8 AM - 1 PM. The Association will put up signs at the entrance to the community on the week of the garage sale. Signs will also be placed down Pine Needle Trail in order to move the attendees to the rear of our subdivision. The only thing you need to do is set up on that day and sell any items you have available. The Association will also advertise the garage sale in advance. There is no cost to you as this sale is sponsored by the Association. If you have any questions, please contact the management office.

Please Park in the Driveway

It has been noticed that many guests and residents have been parking their cars on the roadway or on the grass. This is not allowed per the Governing Documents. Please park all vehicles in your driveway. Thank you.

Architectural Review Applications

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screened enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter. Please follow the instructions on the form, and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include;

1. Two (2) copies of the property survey that shows the locations of the proposed changed, alteration, renovation or addition.

Continued on page 2

continued

2. Two (2) drawings of your plan(s).

3. Attach two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you.

Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, they will mail you the letter. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the

Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Community Rules & Regulations

Here is a list of some of the important rules and regulations for our community.

1) **Paint on Homes** - *Article VII, Page 12, Section 7.18* - All exteriors of homes must be kept painted and in good repair. Paint should be of earth tones and should conform to neighboring homes in color. Homes cannot be painted pink, purple, etc. These are not earth tones. The Board should be notified when you are going to paint your home. You need to give them a picture or sample of the color you are going to use. The Board will then decide if your color is the right color to use. If you do not do this and the color you use does not conform with the neighborhood homes, the Board has the right to have you repaint your home the proper color. Please adhere to these instructions as paint is not cheap and we do not want you to have to paint again.

2) **Inoperable Vehicles** - *The Deed of Restrictions states, Article VII, Page 13, Section 7.12* that all

Please Observe the Posted Speed Limit

It has been noticed by many residents that some drivers do not observe the posted speed limit in the community. This situation has been reported to the Osceola County Sheriff's Department. Please be aware of the speed limit, and limit your speed accordingly. The Sheriff's Department has stated they will send out deputies from time to time to enforce the speed in the community. Thank you for your cooperation.

Septic Tanks

Please be aware that septic tanks may not be emptied in to the drainage swales or drainage ditches of the community. If your septic tank is not working properly, you must contact a septic service company to help with your issues. Anyone seen emptying their tanks into a drainage structure will be reported to the Osceola County Environmental Protection Services. Thank you for your cooperation with this matter.

Garbage Collection

Trash pickup for our community is as follows:

Tuesdays - Curbside garbage collection

Wednesday - Yard and recycled waste. Please use the green and yellow container given to you by the County.

The phone number for the County is 407-843-7370. Please call them if you have an unusual item to pick up. You will need to do this so they are aware of this item before they arrive.

Please do not put any garbage in the green and yellow trash containers. Please follow these instructions and only put out items on the designated days, as the County will not take garbage on other days. We ask you to ONLY put your trash cans out the night before pick up.

Responsibilities

For any community to flourish and grow, many aspects come into play. The Common Areas need to be maintained properly, decisions need to be made in a timely manner, the funds have to be available and have to be accounted for, and good communication must exist between the homeowners and the Board of Directors in order to make the community a better place. Now the most important thing is to respect every person's rights within the community. Just remember that all rights come with responsibilities.

All of the homeowners have the right to enjoy the Common Areas, to be informed of what is happening within the community, and to be an integral part of the neighborhood. As part of the community, you have the right to be heard regarding the issues that affect all of the community's members. You, as a homeowner, are also responsible for paying assessments on time, following all of the Rules and Regulations of the Association, reading all written communication (newsletters, signs, etc.) and informing your property manager, tenants and/or visitors of the Rules and Regulations of the Association. Homeowners help the community by being informed and educated about your neighborhood.

The Board of Directors is a group of your peers, elected by you, to take care of the needs of the community. The Board of Directors do not receive pay to do this job. They are members of your community who are volun-

teering their time and effort. Your Board has the right to make decisions on behalf of the Association for the good of all. Just like you, they have the same responsibilities as any homeowner. In addition, they have the responsibility of directing and monitoring the work that is being done by the management company on their behalf.

The management company, in this case, DWD Professional Management, has the responsibility of keeping all of the records of the Association, performing all of the accounting functions (Accounts Receivable, audits, monthly financial statements, estoppel letters, taxes, insurance, preparing the proposed annual budget, etc.) except Accounts Payable. Management also enforces the Rules and Regulations, interacts with and supervises most vendors, maintains the Common Areas, prepares and organizes all meetings and functions as the liaison between the Board of Directors and the homeowners, among others. The management company does not make decisions independently from the Board of Directors. They act on behalf of the Board of Directors and the Association.

If the homeowners, Board of Directors and the Management Company come together and embrace all of their rights and responsibilities, the ultimate goal of making the community a better place that you are proud to live in and be a part of can be achieved.

Welcome

Welcome to all of our new homeowners. And please say "hi" to your neighbors.

Dogs Must Be Leashed

Per Section 7.16 of the Community's Covenants, animals are not allowed to roam free at any time. There are several dogs that have been observed running freely through the community. Please be aware that this is also not allowed per Osceola County Ordinances. Please keep your pets on a leash while walking them through the neighborhood. If you see a pet in the community without a leash, please contact Animal Control at 407-892-5292. Thank you.

Meetings for the Board of Directors

Please consider attending our meetings. They are held every 2nd Wednesday of each month at the Congregational Shalom Aleichem Temple, 3501 Oak Pointe Boulevard, Kissimmee (off of Pleasant Hill Road). Make a left on to Oak Pointe Boulevard, about a quarter mile from our subdivision.

Community Documents

Your community documents are available for free on our community's website: www.pleasanthilllakes.com. These documents include the deed restrictions and all rules and regulations for the community.

Noise Issues

Please be aware that Osceola County Sheriff's Department does not have any set time for enforcing noise complaints. The Disturbance of the Peace Statute is enforceable any time of the day. If a resident feels that his or her peace is being disturbed, all he or she has to do is call the Sheriff's office to file a complaint. Once that is done, the Sheriff's office will send a deputy to request that the responsible party tone down their gathering. If a second request is made concerning the same disturbance, the Sheriff's Department will arrest the responsible party. Please be considerate of your neighbors so that the Sheriff's Department is not needed to handle these types of situations.

Drainage Swales

If the drainage swale in front of your home is not draining properly, or if the swale is full of dirt and/or weeds, please call Osceola County's Road and Bridge Department at 407-742-7500 to report the issue. Thank you.

Suspicious Activity

With the onset of cooler weather, there may be an increase in activity around Central Florida concerning people entering empty homes to find shelter. Therefore, if your neighbor is a seasonal resident, or the property next to your home is

empty due to foreclosure, please be on the lookout for any suspicious activity. Also, if you see people walking through the neighborhood looking into vehicles, looking into the windows of a home, trying to force open a door, or any other suspicious or illegal activities, please call the Osceola County Sheriff's Department at (407) 348-2222. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.** Thank you.

Fences and Sheds

No structure outside of your home can be erected without first giving plans to our Board. This also includes fences, sheds, etc. All construction will be stopped until such time the Board receives these plans for approval.

Street Lights

If you notice a street light out on your street, please call KUA at 407-933-7777 to report the street name or section where the light is located.

THINGS YOU MUST GIVE TO OTHERS IF YOU WANT TO ACHIEVE SUCCESS!

Article from www.appleseeds.org/7-things-success.htm

A major part of the process of achieving success and living the kind of life that you dream of is to give. Many people think that to get what you want you have to take it. There is a universal truth though that the true path to get what you want is to give. When you give, you get. What you sow, you shall reap. If this is true, then what is it we must give? I'll show you the way...

1. Give Others Your Honesty. The world we live in has a simple rule that most follow: Lie when you have to. Unfortunately, this may make some people wealthy but it makes us humans poor. To achieve success is to become wealthy not only in your goals and keep your character at the same time!

How about you? Are you honest in all things? The problem

with little lies is they become big ones. Lies spin out of control. You get caught in one lie and you lie to get out of it etc. In all things and at all times, give others your honesty

2. Give Others Your Respect. Most of the time we give people respect based on what they have done or what they have accomplished. We gauge whether or not they are "worthy" of it based on what we know of what they have achieved or who they know or are related to.

But I believe we should have a higher standard: We respect people not for what they have done or for whom they are related to or for what they can do for us. Instead, we respect people for simply being...

3. Give Others Your Vulnerability. We are taught to "be strong." And yes, we should be strong. But we have also embraced something that I think keeps us from having the kind of life that we long for. It is an idea that keeps us from experiencing the kind of relationships that would bring deep meaning to us. It is the idea of vulnerability....

"But Chris, make yourself vulnerable and people will step all over you!" It is true that this will happen. But I have also seen that most people will be drawn to you. They will help you. They will open up to you. You see, we are all broken people inside. We all have secrets. Yet everyone plays the poser. When one lets down their veil, others soon follow-and we all win.

4. Give Others Your Care. Too many people are running around this old earth not caring

about others. The days of "Look Out for Number One" and "Winning Through Intimidation" are over! Let's bring about a new day when we can care about others and succeed! Take the time to show people you care. Listen to them. Empathize with them. Love them. Now, I don't mean that you have to go around hugging everyone-that probably wouldn't fly in corporate America anyway-but we can take some time to step back from business and be human! And I have found that when we do so, our business succeeds as well!

5. Give Others Your Experience. We all have areas that we excel in and they are usually areas that we have experience in. One of the things we can do to make our lives more meaningful and be of utmost help to others is to show them the way through the experiences we have.

Sometimes it will be what they should do: Shortcuts to take, people to meet etc. Sometimes it will be what they should not do: Shortcuts not to take and people to stay away from! Whatever it is, we can be of service to others by giving them our experience and ultimately it will make us all better!

6. Give Others Your Help. All in all, what we want to do is to help others. Zig Ziglar says that if we will "help others get what they want; we will in turn get what we want." If we want to be successful, we should consider ourselves servants of other people. What can we do to help them and make them better? This is the true path to greatness and success, not only in business but in life!
